

Our school was allocated **£19,580** for the **2022/23** Academic Year.

### **What is the Sport Premium?**

The government is providing additional funding for academic year 2022 to 2023 to improve provision of physical education (PE) and sport in primary schools. This funding is ring-fenced and therefore can only be spent on provision of PE and sport in schools. Cheadle Catholic Junior will receive £18, 820 in the financial year 2022/23.

Schools must spend the additional funding on improving their provision of PE and sport, but they will have the freedom to choose how they do this. This means that we should use the premium to develop or add to the PE and sport activities that we already offer, or make improvements that will benefit future pupils. For example, we can use our funding to hire qualified sports coaches to work alongside teachers, or to support less active children by running or extending school clubs. This report includes this funding as part of our overall spend on physical education which is a key driver for our school.

### **Accountability**

From September 2013, schools have been held to account over how they spend their additional, ring-fenced funding. Ofsted will strengthen the coverage of PE and sport within the 'Inspectors' handbook' and supporting guidance so that both schools and inspectors know how sport and PE will be assessed in future as part of the school's overall provision.

How are we using the funding to benefit our children?

- Employing a full time sports coach to support both the teaching of PE and provide additional after schools activities for each year group throughout the year.
- CPD for staff and Professional development opportunities for the PE leader.
- Providing cover to release staff for professional development in PE and sport.
- Continuing to run sports activities in school and increasing pupils' participation in the Manchester PE association games (Including transport to sporting events).
- Working with other local schools to develop inter-school competitions and support for PE leaders.
- Continuing to provide a range of sporting activities at lunchtime to increase pupil's participation in sports (sports coaches).
- Provision of equipment for PE and Sport.
