Shine!

How many have you done?

We've been working closely with kids just like you to put together this list of the best things to do before you're 11¾. (Although lots of them are still great fun even when you're 81¾.) You'll find fun things to do for every kind of outside place, from mountains to sea, forests to fields. So what are you waiting for? Get out there and see how many you can do!

1. Get to know a tree

2. Roll down a really big hill

3. Camp outdoors

4. Build a den

5. Skim a stone

6. Go welly wandering

7. Fly a kite

8. Spot a fish

9. Eat a picnic in the wild

10. Play conkers

11. Explore on wheels

12. Have fun with sticks

13. Make a mud creation

14. Dam a stream

15. Go on a wintry adventure

16. Wear a wild crown

17. Set up a snail race

18. Create some wild art

19. Play pool sticks

20. Go paddling

21. Forage for wild food

22. Find some funky fungi

23. Get up for the sunrise

24. Go barefoot

25. Join nature's band

26. Hunt for fossils and bones

27. Go stargazing

28. Climb a huge hill

29. Explore a cave

30. Go on a scavenger hunt

31. Make friends with a bug

32. Float in a boat

33. Go cloud watching

34. Discover wild animal clues

35. Discover what's in a pond

36. Make a home for wildlife

37. Explore the wonders of a rock pool

38. Bring up a butterfly

39. Catch a crab

40. Go on a nature walk at night

41. Help a plant grow

42. Go swimming in the sea

43. Help a wild animal

44. Watch a bird

45. Find your way with a map

46. Clamber over rocks

47. Cook on a camp fire

48. Keep a nature diary

49. Watch the sunset

50. Take a friend on a nature adventure

Time to Shine!

Here at Cheadle Catholic Infant School, our pupils enjoy a rich, creative curriculum with the aim of instilling a lifelong love of learning and the belief that nothing is impossible. We also believe that education is more than what's learnt in a classroom and our experiences outside it are just as valuable.

That's why we've launched our Time to Shine initiative.

From reading amazing stories and ordinance survey maps to pond-dipping and sea swimming, we want every child at Cheadle Catholic Infant School to enrich their learning opportunities beyond the school gates.

Time to Shine

We believe that education is not only limited to the classroom and other life experiences are just as important to well-rounded learning. Working collaboratively with the Infant school, we will be launching our 'Time to Shine' initiative.

Our aim is to enrich our children's learning opportunities, whilst at primary school, beyond the National Curriculum by trying as many new and different activities as possible both in school and at home.

Whilst we are providing opportunities for many of the 'target' experiences we have identified here at school, we know that many enriching life experiences can be achieved at home and on holiday during the summer months. Mrs Glynn and I have worked together to ensure families can achieve targets together whilst giving junior children a little more challenge than their infant siblings.

We would love to see your posts, pictures and videos of any challenges you complete.

Science Resources needed: recyclable 'junk modelling' items

On Thursday 23rd June, we will be making a musical instrument using junk modelling resources as part of our science topic about Sound.

We would like your help gathering the following resources please:

Cardboard boxes (cereal boxes are a good size)

Cardboard tubes (kitchen roll is a good long size)

Ideally one of each item for each child but any spares will be appreciated.

Many thanks in advance

 ██████████ Whilst on holiday Jessica performed karaoke for the first time. She was really nervous but this being one of the time to shine challenges definitely gave her some encouragement. She had such a good response she sang the next night too!

Mrs York That was wonderful! A pleasure to listen to. Thanks for sharing
