## **Religion:**

Adaptive teaching is broken down into universal, targeted and individualised level supports and strategies.

Individualised

Open ended assessment tasks Practical discern activities Laptop to reinforce/watch clips if needed.

Questioning-different types of questions targeted at specific groups or individuals - the culture is that to succeed.

Visual prompts and aids
Comic strips

**Differentiated Bibles** 

Religious texts linked to key religious stories.

Allowing room for exploration in small groups to reinforce and embed religious stories.

Knowledge organisers

Key religious vocabulary and definitions.

Vocab displayed on RE displays.

DEAL strategies to embed retelling religious stories accurately.

Use drama techniques at different points of the lesson to support the children in their understanding. Encourage learners to ask questions about their learning and build in opportunities for small group, partner and whole class discussions.

Use of Scaffolding and modelling .

sentence starters-word banks, cloze procedures

Specific learning objectives-simplified so they are clear about the purpose of the lesson.

argeted
