*'Forward in Faith
Following in the footsteps of Jesus'*

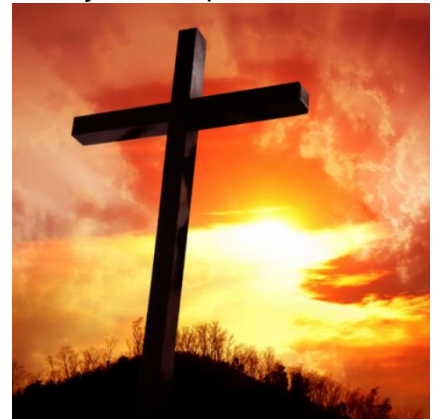

Friday 19th September 2025

Focus of the week: *"For God so loved the world, that He gave His only begotten Son, that whoever believes in Him should not perish but have eternal life".*

John 3:16

Following the Feast of the Exaltation of the Holy Cross last Sunday, the children have learned that God the Father loves us so much that He sent His Son Jesus to show us His mercy and love. We have also explored how the Cross is a symbol of love and hope.

Visit from Author Dan Worsley

This week we welcomed back Dan Worsley, who is a published children's author and Performance Storyteller.

Dan led a captivating assembly on Monday and spent the next two days enthusing Year 6 children in their own story writing and entertaining Year 3 children with readings from his own hilarious books. It has been wonderful to see the school so gripped by stories!

Our Article of the Week: The right to set up or join groups

Next week, we are looking at Article 15 of the UN Convention on the Rights of the Child, which is all about the right to gather with others. This article states that every child has the right to meet with other children and join groups and organisations, as long as it doesn't stop others from enjoying their own rights. Joining groups like sports teams or book clubs helps you make new friends, learn new things, and develop important skills like sharing, listening, and resolving problems. When we work together, we can achieve more and even bring about positive change in our community. Being part of a group also helps you learn about yourself and the world around you, as you get to hear different opinions and ideas. Remember, when we come together, we're stronger together!

School dinner price increase

It will come as a shock to no-one but the cost of food and energy costs means that our school meal supplier, TLC, has increased the price of school meals. From Monday, **a school meal will cost £2.90**. Unfortunately, there have been a large number of pupils this week who have not ordered a meal on SchoolGrid who also don't have a packed lunch. Meals are made to order daily and so there has not been enough of the menu items available. Please ensure you **order a meal for your child by 8:55am** each day – this still applies to those on free school meals as their choice must be ordered. You can check if your child qualifies for free school meals [here](#)

Held next to the athletics track at Wythenshawe Park, the event has 4 races and all abilities are warmly welcomed to come along and represent our school.
