

Cheadle Catholic Junior School

*'Forward in Faith
Following in the footsteps of Jesus'*

Friday 16th January 2026

Focus of the week - "Rise and go; your faith has made you well." . Luke 17:19

Monday's assembly was led by our friend Julie from 'Bible Encounter'. She told the story of Jesus healing the leper. There were a number of lessons this story teaches us - God does so much for us! Every day He provides everything we need: food, clothing, and a place to live. Do we ever forget to say, "Thank You?" It also teaches us that God's love is entirely inclusive – no-one is excluded from his love and compassion and, in following in His footsteps, we should show love and kindness to all.

Article of the week

This week's Article of the week is Article 12 – Respect for Children's Views. This article is concerned with making sure children and young people feel able to express their opinions.

Classes have been reflecting upon how they can ensure that everyone in their class has the opportunity to share their views, even if they differ from that of their peers.

This week, Year 6 met with representatives from the local Magistrates service regarding our involvement in a debate with other schools across Greater Manchester. As yet, the children do not know what it is they will be debating, but the whole process supports our work on listening to and respectfully engaging in discussion to views different to our own.

Cross Country

We look forward to welcoming as many children as possible to the first cross-country race of 2026 tomorrow at Wythenshawe Park athletics track. The first race year 3&4 girls sets off at **10am** with the subsequent 3&4 boys, 5/6 girls and 5/6 boys setting off at approximately **10-minute intervals**. The event is open to children of all running abilities and experiences and is a lovely, supportive event.

Online Safety

The national college has some excellent guidance documents for parents on a wide range of technology and online issues which affect children. You can see the full range of their guides at - <https://nationalcollege.com/institutions/national-online-safety> or you can follow them on Instagram at #WakeUpWednesday for their weekly updates.

Talk to our professionals

Our team of professionals includes Speech and Language Therapists, Occupational Therapists, Positive Behaviour Practitioners and Sleep Practitioners.

Some of these colleagues are available at each coffee morning to listen, support and provide information and guidance to help you support your child.

Meet other parents/carers

An opportunity to meet others in a similar situation to you. This is what parents have said:

"Helpful, friendly and approachable staff."

"Very knowledgeable."

"Practical advice and tips to try at home."

"On bad days it's just nice to not feel alone."
